

Greetings Sorors!

Have you attended or watched the replays of any of the awesome "Midwest Talks?" Do you plan to attend/watch the upcoming sessions? The LEAD Program needs to know, as the chapter seeks to qualify for the Circle of Excellence Award! We know that we can meet or exceed 10% chapter participation, which is only 50 members. Please visit <http://deltasac.org/lead> to complete a brief survey to indicate your past or planned participation in each of the Midwest Talks events. Click here for the links to the replays of each event, as well as the schedule of upcoming Midwest Talks.
